HOLIDAY SHOW-GCO NORTH

"Up-Purposed Holidays" by Sylvia Meiring.

Learn to use non-traditional containers from holidays past using the 4- R's. Reduce, Reuse, and Recycle unused items in a design. The fourth R is Rethink, and we know Sylvia's program will stir your imagination. Sylvia is an Accredited NGC Flower Show Judge, a Master Gardener, has chaired the Toledo Botanical Garden Flower Shows the past three years and is a member of River Road Garden Club, Toledo District.
