

DESIGN SECTION A DETAILS - UNDERWATER SMALL DESIGNS

Containers provided by the Committee for Section A are pictured from left to right:
Class 3 - 5" tall by 4.5" wide
Class 2 - 8" tall by 6" wide
Class 1 - 10" tall by 6" wide.

To make your reservation for a class in this section, please contact Design Entries Chair Sue Mullins or Show Chairman Sylvia Meiring. Sylvia will need your mailing address to ship your container so you can plan your design.

A creative design having some or all plant material and other components submerged in water. Plant material and other components under water must contribute to the overall design and be selected for their lasting quality. Each design class in Section A will be placed on a separate tier on a round table covered in white with some aqua accents. Class 1 will be on the lower tier, Class 2 on the middle tier and Class 3 on the upper tier. No staging panels or underlays permitted.

Class 1: **Wave Runner**

The transparent cylindrical container measures 10" tall by 6" wide. Design must not exceed 12" in height, width or depth.

Class 2: **Sailboat**

The transparent cylindrical container measures 8" tall by 6" wide. Design must not exceed 10" in height, width or depth.

Class 3: **Catamaran**

The transparent cylindrical container measures 5" tall by 4.5" wide. Design must not exceed 8" in height, width or depth.
