

## MISSION STATEMENT

To teach environmental literacy to cherish, protect and conserve the living earth.

## GOALS AND OBJECTIVES

- A. Encourage conservation education programs in all levels of garden club activity.
- B. Promote the inclusion of environmental education in classrooms and youth organizations throughout the country.
- C. Foster value systems that preserve the biotic community.
- D. Increase awareness of the interdependencies of life on earth
- E. Help citizens become involved with their communities and the natural world.
- F. Network and reach out to all segments of the community to achieve common goals.

### Environmental Literacy Definition

Environmental literacy is a learning process concerned with the interrelationship within and between the various components of the natural and human-made world producing growth in the individual and leading to responsible stewardship of the earth.

All students are required to read *The National Gardener*. Found at [www.gardenclubs.org](http://www.gardenclubs.org)

NGC Environmental School  
Course 3 Series 8

**Registration Deadline:**  
**Oct 6, 2023**

PARTICIPANTS MUST HAVE A DESKTOP OR LAPTOP COMPUTER, TABLET, IPAD WITH AUDIO AND VIDEO CAPABILITY. NEW CLASS PARTICIPANTS MUST ATTEND A PRACTICE SESSION TO TEST THEIR ABILITY TO USE ZOOM AND DO A COMPUTER TEST CHECK THE WEEK BEFORE  
DATE TO BE: **Oct 6th at 1 p.m. Eastern**

General Information: Students have Form 6 to be completed and become a consultant. The Consultant Form 7 is issued to NGC members after they have completed Environmental School Courses 1-4 with a passing grade of 70 or more on every exam. These four courses must be completed within seven years. Exams are open book, and optional.

However, if you wish to be an accredited Environmental Consultant, you must take the exams. After passing two courses, an Ohio student may become a Provisional Consultant and join the Tri- Consultants Council. To remain in Good Standing, every five years Environmental Consultants must continue their education by attending an ES Refresher or an ES Course, no exam required. After a Consultant's fourth refresher, the Consultant becomes a Master Consultant. Consultants or Master Consultants may earn refresher credit only once within a calendar year.
